

Woodside Care Home is committed to providing quality services to our residents by caring competent staff, whilst promoting a homely atmosphere.

We can accommodate 39 residents, including places for people suffering from dementia.

Family and friends are encouraged to visit regularly and are welcome to join in events and activities.

We have a welcoming quiet guest room in which relatives and friends are welcome to visit residents in a relaxing environment and in privacy.

A PLACE THAT CAN REALLY BE CALLED 'HOME' WHERE THE EMPHASIS IS ON INDIVIDUAL CARE.

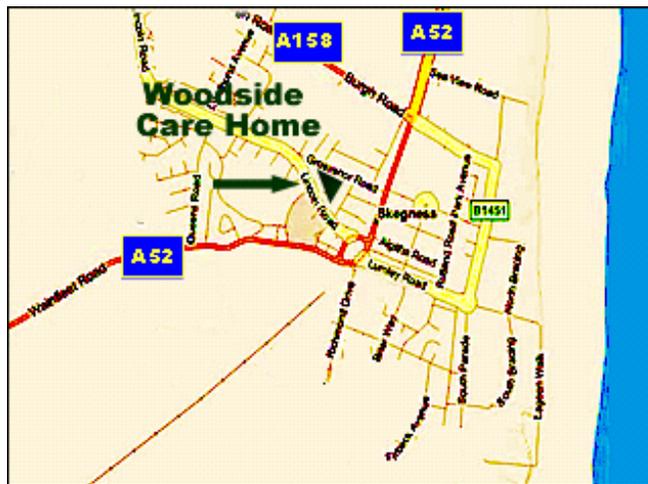

Woodside is registered under the terms and conditions of the Care Standards Act 2000.

Feel free to contact the Home Manager by phone to arrange an informal visit and discuss your requirements. Appointments are not always necessary.

SKEGNESS

*More than just
a Care Home*

Once you've experienced our friendly welcome and tried our tasty menu, you won't want to go anywhere else!

Prices are dependant on the assessed level of care required.

Communal areas consist of a large bright dining room, two large spacious lounges and a hairdressing salon; a qualified hairdresser visits the home once a week.

Bedrooms with en-suite facilities are available. We have ground floor and upper floor bedrooms. A lift is used between floors. All rooms are well equipped with bed, wardrobe, small cabinet, chair and chest of drawers. Bed linen and towels are provided.

Residents can choose whether or not to have their own personal telephone line and/or T.V. Ariel port. All rooms are centrally heated with its own call system so that staff can respond whenever they are needed.

Meals can be eaten in our dining room or taken in your room-the choice is yours.

Enjoy sitting out in the enclosed garden.
